Staten Island PPS
Social Care Network

# Your Health, in Your Hands.

The Staten Island Social Care Network can connect Medicaid Members to free housing, food, transportation assistance, and more. We can discuss your needs and connect you to local services that will best support your health.

**Medicaid Members may be eligible for Free services through a new program on Staten Island!**

## Free Services You May be Eligible for:

- Housing
- Food & Nutrition
- Pre and Postpartum Care
- Childcare
- Transportation
- Asthma Remediation
- Employment
- And more!

## What does this mean?

If you have Medicaid, you can get a FREE screening to find out if you're eligible for services like the ones listed. All services are covered by Medicaid and come at no cost to you. Screening is quick, easy, and convenient. Better health is only a call or click away!

## Not sure if you have Medicaid?

Check if you have this card or call Staten Island PPS at the number below.

## These organizations provide support for:
