

Early Learn Environment Working Group Agenda

4.9.24

Welcome

 Spring This or That Ice Breaker

Kindergarten Transitioning Activities

 Confirmed Schools

- PS 18, PS 21, PS 74
- PS 44 Tentative

 Event Planning

- Dates: August / September 2024
 - September could be a good time due to parents using the remind app
 - Backpacks are negotiable depending on the date/time of the event – focus more on other supplies
 - Give the extra backpacks to the schools to have on hand
 - Advertise event ASAP
 - **Send home flyer in June to inform parents that they will be receiving school supplies come August**
 - Create newsletter to send to incoming parents
 - Can get the info from the schools

- Could be an issue with an August date – many families take late vacations
- The point is to help families prepare for K. Holding the event so close to school starting could defeat the purpose
- Combining the events from last year is a good idea!
- Emphasis on the teachers being present for the event
- Partners must register for the event
- Partner passport for parents will be created
- LINC will do read-alouds
- Streamlining registration table
 - Prior registration?
 - Not very reliable
 - **Have multiple people at the registration table to help take on the load**
 - **Table Placement!!**
 - **Wristbands given when they check in – if the parents don't have a wristband, you can send them back to register**
 - **Mark the wristband with the number of kids so partner knows how many supplies to give the family**
- Have the school print out a list of incoming Kindergartener names to keep track when registering
- Materials need to be in multiple languages – SPANISH AND ENGLISH PRIMARILY
- Host future meeting at PS 18 to get better feel for the layout and decide where to host the event
- Sponsorship letters have been sent out to Geico, Target, and Verizon
