Smart Choices. Bold Voices.

Do you have a young child with a developmental delay or disability? Have you had experience looking for a childcare, Head Start or Pre-K program for your child?

Focus Group Invitation

The Children's Agenda is hosting focus groups to learn more about parent experiences accessing early childhood programs like child care, pre-K, Head Start, etc. for their young child with a developmental delay or disability. A national early childhood organization, Start Early, will be facilitating the groups. They will be conducted via Zoom and participants will receive a stipend.

Focus groups will be held on
