

Looking for a presentation for your school, agency or organization?

Parent to Parent of NYS offers a variety of presentations. All of our workshops are provided at no cost. Some of the workshops we offer are...

Understanding Supports & Services Administered by the OPWDD

Participants will gain an increased awareness and understanding of eligibility criteria and the eligibility determination process. The training includes an overview of Home and Community Based Services (HCBS) Waiver and Family Support Services.

Education Records Organizer

This workshop will assist families in becoming more organized in the planning of their child's education. We offer ideas and tips to keep your IEPs and information readily available and in order.

Traveling with Your Special Needs Child/Adult

Have you dreamed of going on a vacation with your child or adult with special needs? Whether it's a day trip or a long vacation, get tips and tricks for planning and implementing a trip with your family member with special needs. Learn how a trip can benefit all of your family members.

Preventing Parent Burnout: Stress Management for Parents of Children with Special Needs

Extraordinary parenting responsibilities create extraordinary pressures on parents. Join us for this training to discover positive ways to cope with and effectively manage stress.

Health Care Notebook

Our Health Care Notebook will help organize information in one central location, create a history of your child's health care, and assist you in advocating for your child within medical service systems.
