10:30 a.m.
to
Noon

Join us for a virtual webinar on lead poisoning prevention, part of the Healthy Homes Development Series for Child Care Providers. The goal of this webinar is to educate on lead poisoning and address questions such as:

- What is lead?
- What are potential lead sources?
- Who is at risk for lead poisoning?

Participants will learn about the effects of lead exposure on the body and how to prevent poisoning by identifying and eliminating sources of lead.

To register for the webinar, visit bit.ly/ecp-event-215.

For more information, call 646-623-6023 or email healthyhomesecp@health.nyc.gov. Webinars are offered in English unless otherwise noted, but if language services are needed, contact us at least 72 hours before the class.
