Updates

EI Legislative Breakfast Planning

- Reviewing Parent Testimony Clips
 - One clip from each parent will be shown
 - Add stimming definition in JL video
 - Cut out when Vanessa speaks and add the question in editing
 -
- Data Review
 - Data sourced from DOH – shared publicly
 - Add the source to the bottom of the printed poster
 - Data will only make sense if [speaker] will connect the dots for the audience
 - Citywide numbers are most helpful when they show SI is disadvantaged or that SI in on the same level as the rest of the city
 - How is the information relevant to the legislators?
 - Data slides will be shared with the group for further review / commentary
- Policy Brief
 - Additional information for the 44 families referred to in the brief
 - Include how the alliance helped the families by sharing resources with the families (two-way street)
 - Create a chart/visual based on the information that SIA has collected from the focus groups
 - Timelines: evaluations and receiving services, etc.
 - Send expected timelines to compare to the data that SIA has collected
